**SALE ORGANISERS:** Melton Mowbray Market Auctioneers, Melton Mowbray Market, Scalford Road, Melton Mowbray, Leicestershire, LE13 1JY. Tel; 01664 562971, Email : [sales@meltonmowbraymarket.co.uk](mailto:sales@meltonmowbraymarket.co.uk), web site : [www.meltonmowbraymarket.co.uk](http://www.meltonmowbraymarket.co.uk). The sale will be held under 'LAA Conditions of Sale'.

**BREED SOCIETY EVENT:** This is an official sale for all the participating breeds which are responsible for any inspections, card grading and showing for their breed. Each Society will provide their own stewards, inspectors, judges, cards, rosettes and trophies where applicable. See breed sections for contact addresses and society details.

**DISCLAIMER:** The participating Breed Societies, their representatives, judges, inspectors & stewards, Melton Mowbray Market, Grassroots Systems, Ltd. and the elected steering committee are acting in good faith on behalf of participating vendors, and accept no responsibility or liability for any death, accident or injury to people, animals or property at the event. Vendors and purchasers are responsible for their animals at all times.

**CATALOGUE:** The catalogue has been prepared in good faith from the information supplied by vendors. Grassroots Systems Ltd, Melton Mowbray Market Auctioneers and the Breed Societies are not responsible for its accuracy. It is the responsibility of the vendor to ensure it is correct and that any anomalies or errors are announced before the sale of any lots.

**PARTICIPATING BREEDS:** Entries have only been accepted from members of participating Breed Societies and for animals registered or eligible for registration in their flock books.

**ORDER OF SALE:** Strictly in catalogue order with the exception of Breed champions in some breeds. Please see Breed Society details.

**COMMISSION:** All lots will be sold in guineas (£1.05). Commission will be 5% charged to the vendor. There will be a minimum commission of £2 per lot.

**Buyers Premium:** A buyers premium of 5% will be charged on all lots to a cap of £40 per animal.

**SOCIETY FEES:** Breed Society transfer fees or sale levies may be deducted at the market. Please see the relevant breed section in this catalogue.

**POULTRY:** For details of the Rare Breed Poultry Show and Sale to be held in parallel to this event on the Saturday please contact the Market Office on 01664 562971.

**CATTLE & PIGS:** Please see separate catalogue or contact the Market Office on 01664 562971

**STATUTORY REGS:** The event will be carried out in full compliance with the DEFRA and other statutory regulations.

**IDENTIFICATION:** All entries must be tagged in accordance with current DEFRA regulations. Tag numbers must correspond with numbers on pedigree certificates and in the catalogue. **There will be no substitute lots.** Any animal whose eartag does not match that printed in the catalogue will be rejected from the event.

**RETAGS:** Must be reported to the Auctioneers Office.

**SUBSTITUTES:** Any that do occur by special arrangement **MUST** be reported to the auctioneers, so that the correct animals are transferred and recorded in the market movement records.

**NUMBERING:** Vendors will be provided with lot number neck tags on arrival. Please ensure these are put onto the correct sheep on arrival. The neck tags will be collected from the vendors as the sheep leave.

**WEANING:** All lots must have been weaned at least 2 weeks prior to the event and in the case of suckling ewes, must have been properly dried off.

**PENNING:** All animals must be penned in the space allocated. Vendors are always solely responsible for and in charge of their stock whilst on the premises.

**MV ACCREDITED & SCRAPE MONITORED:** Provision will be made for MV Accredited and scrapie monitored sheep which will be sold at the start of the sale. Vendors should ensure all the relevant certification is brought on the day. It is the responsibility of the owner to ensure they follow the plans laid out in the market to safeguard the status of their livestock, which remains their responsibility at all times. Hands should be washed prior to entering the Heath Scheme areas.

**SELLING ORDER:** Females will be sold in their pens 'off the boards' and may be offered in groups or as individuals. **Rams will be sold individually in pens in catalogue order.** Vendors are encouraged to consider selling females in pairs or small matched groups.

**HEALTH SCHEME SELLING ORDER:** Because of the restrictions imposed by the regulations concerning Health Scheme Flocks, it has been necessary to pen and sell animals in these high health categories together. We have tried to make the catalogue as clear as possible and have included a plan.

**ANIMAL HEALTH:** Vendors will be expected to ensure that their animals are in good health and, to the best of their knowledge free from infectious or contagious disease. The entry form includes a signed declaration to this effect and entry to the sale therefore carries a warranty of soundness from the vendor. In the case of sheep this includes a warranty in respect of mouth, udder, testicles and that female sheep over 2 years have bred a lamb.

**BREED INSPECTION:** Some Breed Societies will carry out breed inspections, please see each breed section for details. Breed Society inspections do not constitute any form of guarantee or warranty. Purchasers should inspect animals themselves to ensure they are suitable, prior to purchase.

**REJECTED STOCK:** A quarantine area will be made available but rejected stock should be removed from the market as soon as possible.

**TRANSPORTATION:** All livestock must be transported in vehicles or trailers which comply with the law. There will be washing out facilities at the market and will be open from 8.00am-5pm on Friday and Saturday. All livestock must travel with the correct licenses. If in doubt, please contact an Animal Health Officer at your local DEFRA offices.

**ANIMAL IN TRANSIT:** Animals in transit and not entered into the event, will be **strictly prohibited**  
**Swapping animals in the car park is STRICTLY PROHIBITED and is ILLEGAL**

**HAY & STRAW:** A limited amount of straw will be provided. Vendors must supply their

own hay, additional straw and buckets.

**ORDER OF SALE:** Animals will be sold strictly in catalogue order in breed sections with all sheep being sold from the planks. Auctioneers will be selling simultaneously. It is the responsibility of the vendor to ensure their animals are presented for sale at the correct time. Rams will be sold individually in pens as per catalogue.

**RESERVE PRICES:** Any reserve prices must be submitted to the Auctioneers Office in writing prior to the sale of any lot. It may be handed to the auctioneer as you sell your stock but **cannot** be given verbally.

**DOGS:** Dogs will not be permitted in the livestock areas.

**EVENING PARTY:** There will be a Hogg Roast, **strictly by ticket only**, with Live Music and a bar, at the Market on Friday night in the Exhibition Hall. Tickets available from the auctioneers at £15 each.

### **Reserves and Minimum Upsets Notes for Buyers and Seller**

**A Minimum Upset** - is the minimum price, set by the Breed Societies, **below which animals cannot be sold**. If your breed has a Minimum Upset, it will be published at the beginning of the breed section.

**Reserve Prices** - All vendors are entitled to place a reserve on their animals. A reserve is the price below which the seller is not prepared to sell.

**The Reserve acts like a bid**, so the auctioneers can 'run' a single bidder up to that reserve price. Auctioneers cannot 'run' a single bidder if there is no reserve.

**How to place a reserve** - Sellers should place the reserve with the auctioneers before the sale. Clearly write the lot number and the price in Guineas (£1.05), **below which you will not sell**, and **hand it to the auctioneer before they start selling your sheep**. The sale will be noisy so do not attempt to give verbal instructions.

**Groups** - Groups of ewes are sold at a price per sheep, regardless of the size of the group.

**Private Sales** - If your sheep does not sell under the hammer, but someone offers to buy it after the sale, you are permitted to do this. However, **you MUST put the sale through the auctioneer's office**. Animal movement records to and from markets are strictly controlled and monitored. It also means that the market collects the funds and passes them to you safely. Animals sold in this way are not included in the breed averages and are not subject to Minimum Upset price.

Championship sashes are kindly donated by Northants Native Breeds Club (NNBC) which was formed in December 2013 to raise funds for rare and native breeds of farm livestock locally and nationally.

**19. Ewes must** be correct in the mouth and udder.

**20. If faults are** found, the vendor will be informed that the auctioneer will declare the fault before the sheep is sold, otherwise the sheep can be withdrawn from the sale. The Inspectors' decision will be final.

**21. Prospective purchasers** must satisfy themselves that the sheep they buy are of the standard they require. **Complaints under Condition 18, 19 and 20 must be made to the auctioneer on the day of the sale.**
